CIRCUIT CLUB IS TURNING 10 AND WE WANTED TO DO SOMETHING SPECIAL.

Don't get us wrong - we love Wakefield Park and it will always be our home - but we wanted something more spectacular, something epic, to celebrate 10 years.

So here is the plan. We hold the ultimate Trackday - a one week amazing trip to the Mecca of motorsport: The Nurburgring. Via Spa. Via Dubai.

Excited?

HERE IS THE PLAN

We fly to Frankfurt via Dubai on Emirates. This is probably one of the most comfortable routes to Europe.

We layover in Dubai for a couple of nights, which will allow us to ride quad bikes over desert sand dunes and visit the Dubai Kartdrome - a 1.2km, figure of eight, international standard kart track and hold a mini race. This will get us warmed up for things to come.

Once we arrive in Frankfurt we pick up our proper German GT cars (6-Series BMWs or CLS-Series Mercedes Benz) and drive the autobahn towards the town of Nurburg. This will be our base for 4-5 nights.

On our first day, we check out the surroundings and watch test mules fang around the 'Ring. We'll be itching to drive it, but it will wait until after our first Trackday.

The next day we drive across the Belgium border to arrive at Spa and change vehicles to a Lotus Exige 240S. 240bhp

supercharged Toyota mid-mounted engines in a 900kg shell. We drive Eu Rouge, Radillion and Pouhon - 200kms worth.

We reserve a day to take it all in. If you like, you can do some sight seeing. Or you can go back to the 'Ring for a Ring Taxi ride.

We hope back into our Lotuses and join a private Trackday and pump in 200kms on the Nurburgring. Flugplatz, The Karussell, Wippermann - all those famous corners you've read about over and over again. By the end of it, we will be exhausted but completely satisfied.

Dinner will be at The PistenKlaus - owned by the family of Sabine Schmitz and the legendary venue of many Grands Prix winners. There is nothing like a big steak on a hot stone with an ice-cold German beer to calm the nerves and reflect on such epicness.

We might have a day or two left to do more sightseeing, maybe to visit some museums such as the Porsche HQ Stuttgart, but we'd have done what we'd have come for, and now it's time to go home.

KEEN TO JOIN US?

We plan to go for one week in September to take advantage of the start of their low season, but still get there before it gets too cold and wet.

Whilst the 2013 Trackday dates are not yet available for bookings, we are already negotiating to secure race car hire costs before they go up in the new year. This will require a deposit from Circuit Club.

An estimated cost from the details provided is approximately \$9000 AUD inclusive of all taxes. This is subject to change and may also be tailored to be less or more expensive to suit your circumstances.

Full itinerary and confirmed pricing will be available in mid-January.

Reserve your spot:

Due to the nature of the trip, we only have very limited guest spots available. In order for us to secure the best pricing we are now taking deposits of \$900. This deposit is 100% refundable up until January 31, after which we will be booking flights, accommodation and best of all...Trackdays!

Your spot will be reserved in the order that your deposit is received. Please note, deposits are refundable but not transferable in the event that we have a reserve list.
